EARN FIRST. PAY LATER. GROW TOGETHER.

At Dial Us, you only pay when you earn with every job,
we deliver insights, reviews, and repeat visibility to fuel your growth.

INTRODUCTION TO DIAL US

Welcome to Dial Us

Your smart connection to real customers who need your services. We're more than just a listing website.

We're a lead generation platform built to drive real results for your business. Whether you're a plumber, snow remover, electrician, or roofer, we help you get noticed, get calls, and get paid.

With a classic touch (*yes, that vintage phone in our logo means something*), we connect modern homeowners and businesses to trusted service providers in just a few clicks or a quick call.

OUR MISSION IS SIMPLE

Help service providers grow with genuine, local leads.

WHY DIAL US?

At Dial Us, we believe great service should lead to great growth. That's why we go beyond just listing your business. We work with you to make sure you're not just seen — but chosen.

HOW IT WORKS

1

DIAL US ONBOARDS YOUR BUSINESS

We collect your service details, coverage area, and business hours.

2

We promote your business

Your services are marketed across our website, SEO-optimized pages, local promotions, and call center referrals.

3

Consumers reach out

When someone needs a service, they either call us or fill out a form.

4

We share lead details

You'll receive contact information and job requirements of interested clients directly from us.

5

You provide the service

Coordinate with the client and deliver your best.

6

We collect feedback & payment

We follow up with the customer to gather feedback and collect payment, which is then paid to your business.

Businesses only pay once they earn — we grow when you grow. With every job, you'll receive valuable insights, reviews, and repeat visibility.

OUR PROCESS

WE PROMOTE YOU

When you join Dial Us, your business doesn't just sit on a list. We actively promote your services through:

- Local online advertising (Google, Meta, etc.)
- SEO-optimized service pages for your city
- Toll-free lead generation campaigns
- Offline marketing in local communities
- Direct consumer referrals via phone and web form submissions

WE'RE HERE TO GROW YOUR BUSINESS.

You focus on delivering great service. We'll bring you the customers.
